**REQUEST FOR CONTINUANCE
OF STATUS CONFERENCE**

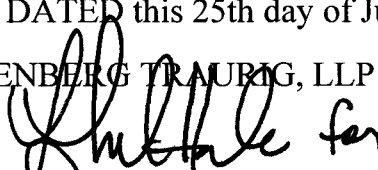

RICHARD L. GREEN, respondent,
DONALD ANDREW ROTHMAN, respondent
Respondents.

Respondents Maglev Wind Turbine Technologies, Inc.; Maglev Renewable Energy Resources, Inc.; Renewable Energy Development, Inc.; Renewable Energy Systems, Inc.; Edward L. Mazur; Ronnie Williams (collectively, the "Maglev Respondents"); Mag T Inc.; RLGMAN Corp.; Stable, LLC; Richard L. Green; and Donald Andrew Rothman (collectively, the "Respondents"), through undersigned counsel, hereby jointly request that the Court vacate the status conference in the above-captioned matter currently set for July 26, 2011, and re-set the status conference to occur on or after August 9, 2011.

As good cause for the request for a two-week continuance, the lead attorneys for the Maglev Respondents and for the Arizona Corporation Commission ("ACC") will be out of town and unable to attend the status conference on July 26, 2011. Because the Respondents and the ACC intend to discuss a hearing date with the Court during the status conference, the Respondents submit that judicial economy will be best served if the status conference is re-set for a date on which the lead attorneys for all parties can attend. In light of the foregoing, the Respondents respectfully request that the Court re-set the status conference to occur on or after August 9, 2011. William W. Black, Assistant Chief Counsel of Enforcement of the Arizona Corporation Commission, Securities Division, has stated that he has no opposition to this request.

DATED this 25th day of July, 2011.
